OILS, CHEMICALS, PAINT, & FUEL CANS

Essential Fluids

08C50-C321S01

Antifreeze/HP Coolant

Special blend provides protection against rust and corrosion of all cooling system components. For use in all liquid-cooled Honda Power Equipment. Safe for aluminum components. Requires no further additives. Ready to use, premixed. Convenient 50/50 blend. Uses deionized water. Available in 1 qt. bottles. Multiple of 12.

5W-30 qt. bottle (12 per case)	08207-5W30
10W-30 qt. bottle (12 per case)	08207-10W30
30W qt. bottle (12 per case)	08207-30
5W-30 55 gal. drum	08208-5W30
10W-30 55 gal. drum	08208-10W30
30W 55 gal. drum	08208-30

Engine Oil

Always follow recommendations provided in the product owner's manual.

Foam Air Filter Oil

4 oz. bottle (12 per case)	08207-MTL-100
-------------------------------	---------------

MOTUL oil is specifically designed for foam air filters. The super-tacky formula retains dirt, mud, and sand particles, thereby significantly increasing the life of the engine. The oil also repels water to help keep it from penetrating into the filter.

8 oz. bottle (12 per case)	08732-0800
32 oz. bottle (12 per case)	08732-3200

Fuel Stabilizer

Genuine Sta-Bil® formula prevents gasoline-related problems during periods of extended winter storage. Prevents rust, freezing, or gelling of fuel. Keeps jets and float bowls free of gummy residue. Equipment stays "ready-to-use."

08208-HST01

Hydrostatic Fluid (HST Oil)

Designed specifically for Honda hydrostatic transmissions. Provides maximum transfer of power; maximum efficiency. Pour point exceeds -50 °C. Note that some Honda hydrostatic transmissions do not use this fluid. Always refer to the shop manual for the correct fluid specification. Resealable 1 qt. bottles. Multiple of 2.

08208-0080

Hypoid Gear Oil

Provides protection against wear, scuffing, and corrosion, even under heavy loads. SAE 80W-90, API service classification GL-5. Available in 8 oz. bottles. Multiple of 12. **Not for marine use.**

08206-9002PE

Power Steering Fluid

Unique Honda formula designed to give top performance and protection. For use with H5013, H5518, and RT5000 hydraulics and the steering system of the H6522. Available in 12 oz. bottles. Multiple of 12.

Note: Products may be multi-packaged.

OILS, CHEMICALS, PAINT, & FUEL CANS

Service Chemicals

08732-AS000

Antiseize

Protects up to 2600°F. Waterproof. Protects against rust and corrosion caused by chemicals. Excellent for threaded fittings. 8 oz. container.

08732-CC000

Carburetor Cleaner (Non-Chlorinated) 50 State Legal

100% free of chlorinated solvents. Safely removes gum, varnish, and deposits from carburetor components. Available in 15 oz. aerosol can. *Specially formulated for use in California.*

08732-CBL49

Contact/Brake Cleaner*

Cleans grease and oils from electrical components and brake systems. New formula dries fast and leaves no residue. Won't harm most plastic, rubber, or painted surfaces. Available in 15 oz. aerosol can. Multiple of 12.

*Not for sale or use in California.

08732-CBCCA

Contact/Brake Cleaner

Specifically formulated for California. Available in 15 oz. aerosol can. Multiple of 12.

08732-WLG00

White Lithium Grease

Heavy-duty general purpose lubricant sets up quickly. Available in 12 oz. aerosol can. Multiple of 12.

08732-RP000

Hondalube/Rust Penetrant

Displaces moisture, protects against rust and corrosion. Low VOC formula; meets current CARB and OTC standards. Contains no chlorinated solvents or CFCs.

08732-SS000

Silicone Spray

Eliminates squeaks and sticking while lubricating and protecting. Protects, preserves, and waterproofs fabrics, leathers, and rubber. Available in 12 oz. aerosol can. Multiple of 12.

08732-SCP00

Spray Cleaner and Polish

Superior performance and economy. Cleans, polishes, and protects paint, plastic, glass, vinyl, and rubber. Repels water, blocks UV rays, reduces dust build-up. Available in 14 oz. aerosol can. Multiple of 12.

Note: Products may be multi-packaged.

OILS, CHEMICALS, PAINT, & FUEL CANS

Assembly and Repair

08713-0001

Hondalock1

Low strength threadlock for frequently removed/low torque fasteners. Carded 10 cc bottle. Multiple of 6.

08713-0004

Hondalock 2HT

High temperature threadlock for medium-torque fasteners in high-heat applications, such as exhaust studs. Carded 10 cc bottle. Multiple of 6.

08798-0001

Dielectric Grease

Non-conductive water-proofing compound. Insulates electrical connections. Adheres to most surfaces. Seals out moisture, dirt, and corrosion. Carded .5 oz. tube. Multiple of 6.

08713-0002

Hondalock 2

Medium strength threadlock for medium-torque fasteners. Carded 10 cc bottle. Multiple of 6.

08713-0003

Hondalock 3

High-strength threadlock for high-torque fasteners or semi-permanent applications. Carded 10 cc bottle. Multiple of 6.

08734-0001

Moly 60 Paste

60% Moly grease formula. Contents are solid and will not separate at room temperature. Recommended for bearings, gears and other high-pressure/high-temperature applications. Use where Moly 45 is suggested. Carded .3 oz. tube. Multiple of 1.

Note: Products may be multi-packaged.

OILS, CHEMICALS, PAINT, & FUEL CANS

Adhesives and Liquid Gaskets

08717-1194

Hondabond 4

Semi-drying liquid gasket. Seals with a tough, elastic film, yet removes easily. Solvent-based formula resists gasoline. Carded 3.5 oz. tube. Multiple of 6.

08718-0004

Hondabond HT

High-temperature silicone liquid gasket. Non-acidic, will not corrode aluminum. For use in areas not requiring solid gaskets. Carded 3.5 oz. tube. Multiple of 1.

08712-0002

Weatherstrip Cement

A permanent waterproof adhesive that adheres to rubber, plastic, metal. Also works for vinyl repair. Carded 5 oz. tube. Multiple of 6.

08712-0001

Handgrip Cement

For use when installing all PVC-type grips on handles, levers etc. Carded 1 oz. tube.

Cleaners and Polishers

08732-0020B

Hondabrite

Genuine S-100® in a mid-size package. Easy-to-use cleaner; simply spray on and hose off. Sprayer comes on 20 oz. bottle. Multiple of 12.

08732-0032

Refill available in 32 fl. oz. bottle. Multiple of 12.

Note: Products may be multi-packaged.

OILS, CHEMICALS, PAINT, & FUEL CANS

Fuel/Gas Cans (No-Spill®)

No-Spill fuel cans feature a unique thumb button controlled fuel spout for easy, controlled pouring. This design allows for more precise product fueling, reducing spills and overflows. High Flow Rate (up to 3 gal/min), CARB Compliant & Child Resistant.

For warranty call 913-888-9200 or e-mail warranty@nospill.com.
